

# Franklin Park

## Neighbors & Friends,

We're looking to you to share your insights and help prioritize \$28 million in investments and maintenance funding to ensure that Franklin Park is an engaging and diverse place for decades to come! We've postponed our second community workshop due to the COVID-19 restrictions, but your input is still important now!

**Here's how you can participate:**

**STEP 1**

**Take our survey** (in 6 languages) - help us understand how you use the park and what improvements you would like to see! **Extended until April 10th!**  
**FranklinParkMasterPlan.com/Survey**

**STEP 2**

Help us spread the word!  
**Share the survey** with your friends, family, and other people you know who go to (or would like to go to) Franklin Park!

**STEP 3**

Weren't able to attend our first workshop in January?  
**Read up on what we've learned so far** on **FranklinParkMasterPlan.com** and email any comments to [lauren.bryant@boston.gov](mailto:lauren.bryant@boston.gov).

Stay well and active!

**The Franklin Park Master Plan Team**

**What is the Master Plan?** With the sale of the Winthrop Square Garage, Mayor Martin J. Walsh committed **\$28 million to revitalize Franklin Park**. In preparation for this investment, which includes \$5 million earmarked to create a maintenance endowment, the Boston Parks and Recreation Department has launched a new master plan for the park.
